

Hi

The Crestview Mode Aviators have moved to a new location at Mossy Head. Our new field does not have bathroom facilities at this time. The Frost Bite Fly-In will be more like a fun fly without giveaways.

A map to the field is attached. Coming from the west on I10 get off at exit 70 and turn left and go to stop sign and cross the railroad tracks and turn left onto 90 go approximately 8/10 of mile and turn right on Laird Road. There is a trailer sales on the right side. Follow Laird Road and it turns into Richardson Road until you come to a pole with yellow streamers and turn right and follow the signs.

Coming from the west on 90 turn left on Laird Road and follow the above directions.

Coming from the east on I-10 get off at exit 70 and turn right and follow the above directions.

Coming from the east on 90 turn right on CR1087 or 285N and go approximately 5 miles at caution light and turn left onto Richardson Road go 4 miles bear left on Richardson Road and go until you come to poles with yellow streamers and follow signs.
